Tubing size: 1-1/2" O.D. x .049" (18 ga.) wall thickness

Flange style:

Mounting flanges are constructed of Type 304 (18-8) stainless steel, heliarc welded to the bar to form a single structural unit.

Concealed, 14 ga. x 3" dia.

ANTI-SLIP COATING

Liquiguard SolidStepCote Anti-Slip

Eco-Bio Friendly SolidStepCote is a superb **anti-slip** solution for your extra grip needs. Apply it to your bath tub, shower floor, seat, grab bar, ramp, and most flooring including concrete, vinyl, tile, and wood.

StepCote **dries clear** and creates a barrier against stains, dirt, and discoloration. Easy to clean! Use it anywhere from your bathroom to patio.

Easy Application

1. Clean the application area.
2. Apply SolidStepCote with the foam roller included in your kit.
3. Let dry. StepCote can be used after 4-6 hours, but requires 24-48 hours for a full cure.
4. Enjoy your new anti-slip surface!

What about smell?

StepCote is a water based, non-toxic product that has no smell during application and does not require gloves.

Liquiguard products meet and exceed OSHA/ADA standards for slip resistance.

Sizes Available*

4 oz Kit (covers 12 square feet)

**Need more? Inquire about additional sizes. Gallons available!*

*Seat or Grab Bars too slippery?
StepCote can be used on most
surfaces to provide grip!*

SEATS AND RAMPS

Accessorize your shower system with a wall-mounted shower seat. All seats easily flip up and out of the way. Choose from with or without legs; padded, phenolic, or Brazilian Walnut wood tops; and a variety of sizes, including L shaped seats. Seats are rated up to 900 lbs. Seat frames can be powder-coated.

Sizes Available:

22 x 16 inch, 27 x 16 inch, 28 x 21 inch
30 x 15 inch, 32 x 16 inch, 34 x 21 inch
41 x 16 inch

Waffle Ramps

Light weight modular ramp material that is easy to install, move and clean. Available in gray only. Custom built to your specs in .75" height increments.

CURTAINS AND RODS

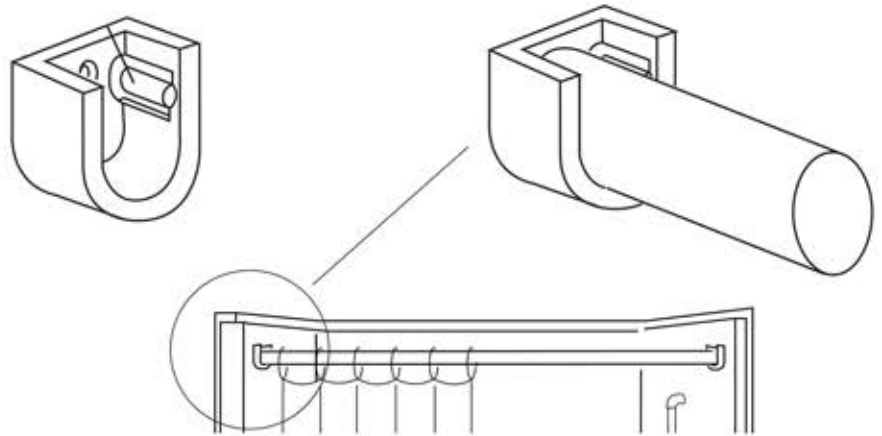

Steel shower rods to secure your weighted curtain. Rods are 1 inch O.D., 20 gauge stainless steel. Available in both straight, or corner rods. Kits include springloaded holders and J-hook where applicable.

Standard Sizes

38 inch, 42 inch, 48 inch, 54 inch
60 inch, 63 inch, 72 inch

Corner Sizes

42 x 42 inch, 48 x 48 inch
60 x 36 inch, 60 x 48 inch

Weighted Shower Curtains

Never have curtain blow back again with our triple vinyl weighted shower curtains. Tear and mildew resistant, anti-bacterial, easy to clean and anti-static. Grommets are made of stainless steel, and the bottom is weighted with lead. White only, with multiple size options. **Custom sizes are available on request.**

Standard Sizes

42 x 74 inch, 48 x 74 inch, 54 x 74 inch, 62 x 74 inch
66 x 74 inch*, 74 x 74 inch, 80 x 74 inch, 116 x 74 inch
102 x 73 inch

**66 x 74 inch fits a 5 foot shower*

Flex Attendant Curtain

69 x 63 inch

Walk-in Tubs

Cropped sizes available for walk-in tubs.

Flexible Waterstopper

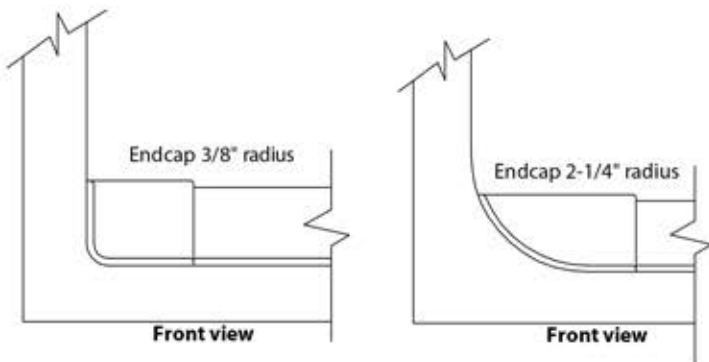

Made of heavy gauge EPDM rubber, our T shaped flexible water stoppers (also known as dams and curbs) keep water inside your shower. Extremely durable, they handle wheelchair roll overs and can be stepped on/over, bouncing back immediately. Easy self-adhesive installation. Choose from beige or gray; small or large end caps; and multiple sizes. Units are 1 3/8" tall. Pair with a white weighted shower curtain.

Sizing Available (Cut to Fit)

3 foot, 4 foot, 5 foot, 6 foot, 10 foot

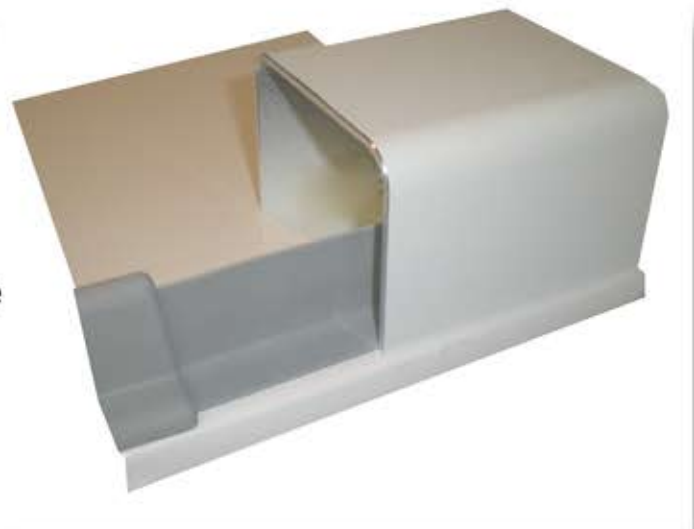

End Cap Sizing

Small - 3/8" radius, Large - 2 1/4" radius

Semi-Permanent Threshold

Made of heavy gauge white powder coated aluminum, this a perfect solution for those who want to invest in a Barrier Free Shower but want the option of a standard threshold. Can be installed on its own, or over a flexible waterstopper. Provides a 2 1/2" threshold. Product silicones on, and is easily removed and reinstalled for repeated future use.

Sizing Available (By Shower Opening)

36 inch, 42 inch, 48 inch, 50 inch, 60 inch
72 inch, Neo-angle - 42 inch, Corner 60 x 36 inch

Accessible Baths

Showers • Walk-in Bathtubs • Slide-in Baths
